barney barton,  
o irmão do

# gavião arqueiro

usou o nome de seu irmão uma vez.

resumindo a historia, ele era um vingador de araque  
e deu tão certo quanto você pode achar que deu.

ele já foi circense, trapaceiro, agente do f.b.i.,  
vítima, e vilão.

na ultima vez que clint viu ele, ele doou medula  
ossea para salvar a vista de seu irmão.

e também o clint pode ter roubado muita  
grana dele.
